Interactions:

- Fish moving back and forth
- Bubbles floating around
- Bubbling bottle/skull/jack o lantern to be the filter

Details to add:

- Create some dark coral or even sticks to give the effect of trees (based off inspo pic)
- Pirate ship or castle would be cool
- Some big rocks along the bottom to make it stand out a bit
- Different types of dark colored fish

Need to find:

- Skull/bottle/jack o lantern
- Castle/pirate ship
- Stone inspiration for bottom of tank or coral inspiration
